Recognition of 50 Year Members

Being a member of any organization for 50 years is most certainly an achievement but most certainly an important milestone that should be recognized. For those who have done so with the Canadian Institute of Public Health Inspectors across Canada they are not only expressing their support for their profession but are also expressing their dedication to the Institute.

Recognizing the importance of these members and their contributions to the Institute over the years is more than well deserved.

If a member should require clarification on any award, please contact the Awards Committee Chair directly at president@ciphi-sk.ca.

Respectfully,
