

BOB SCOTT RETIRES

After 40 years in public health Bob Scott has retired. He started in the health field with the Canadian Army Medical Corps. in 1939 in Victoria. He went overseas in 1942 with No.16 General Hospital serving in England, France, Belgium, Holland and Germany. Bob returned to Victoria in 1945 accepting the position of Chief Orderly at St. Joseph's Hospital. Anxious to progress with a career in health he commenced Field Training with the local Health Unit in 1949 and secured his CSI(C) # 727 in 1950 and started working as a Sanitary Inspector for the B.C. Provincial Health Department, November 1st, 1950. Bob worked in various locations in BC during his career. Management recognized Bob's excellent potential and he was soon promoted to Senior Sanitary Inspector for the Skeena Health Unit following by a similar position at Boundary Health Unit in Surrey. In 1962 he was again promoted this time to the position of Consultant PHI in Victoria and later elevated to become the first Director of the Division of Public Health Inspection.

Bob joined the Canadian Institute of Sanitary Inspectors on August 8, 1951 and was active with the Institute for over 28 years serving in various capacities and on numerous committees. During his years as Director of Public Health Inspection for the Ministry of Health, he coordinated in-service training programs jointly sponsored by the BC Branch and the Ministry of Health.

A large group of friends and colleagues were present at Bob Scott's retirement in Victoria. Laurel Benham and Don Wakelyn, the former and current Directors of Environmental Health for Great Victoria reminisced about their many years working with Bob and how great he was as a colleague. Tim Roark, President of the BC Branch thanked Bob for his 28 years of contribution to the profession & Institute. He presented a set of professional golf woods to Bob on behalf of the Institute members. Bob then took the opportunity to thank all his colleagues, friends & family for their support, and friendship over the years helping make his career so successful and gratifying.

Laurel Benham & Tim Roark take the opportunity to thank Bob and tell a few stories in the process. The head table consisted to Larry & Janice Copeland, Lauel & Mrs Benham, Don & Mrs. Wakelyn, Guests Bob & Peggy Scott as well as Tim Roark and Pat Wolczuk.

PHI'S IN OTHER FIELDS

Pictured is Shaun O'Roark (on the left) a former PHI and continuing member of the Institute. In 1972 he retired from the field having been an Inspector in Boundary Health Unit to open up a boat building business in Richmond. Here he is next to a 45 foot commercial fish boat which is almost complete.

His company, Sea Master Aluminum specializes in commercial fishing boats and other industrial vessels. That's me, brother Tim on the right.
