

Environmental Health Officer Opportunities

Interior Health is seeking two permanent full time Environment Health Officers (EHO) to join the team!

The current opportunities include:

- Environmental Health Officer (EHO) to join the IH Drinking Water Systems team in Invermere, BC
[Job ID# 1572609](#)
- Environmental Health Officer (EHO) to join the IH Drinking Water Systems team, with the worksite being flexible within our health service region.
[Job ID# 1523418](#)

Working in a multi-disciplinary team of environmental public health professionals, the EHO uses their range of professional and technical skills to promote and achieve clean, safe, and sustainable drinking water with small water system clients. The EHO administers applicable health legislation and standards through inspection, investigation and emergency response activities identifying drinking water health hazards and working to mitigate and reduce risk to public health. The EHO performs technical assessments and provides consultative and education services with partners to achieve supportive and healthy community environments.

Some Benefits to joining Interior Health:

Interior Health offers a comprehensive benefit package which includes:

- 4 weeks vacation
- Insurance premiums paid by Interior Health
- Medical Services Plan
- Extended Health Coverage
- Dental Health Coverage
- Pension Plan

***Relocation allowance may be offered on permanent positions.**

Apply Today!

Required Qualifications:

- Bachelor's Degree in a health-related discipline; must have a certificate in Public Health Inspection (Canada) and must be registered or eligible to be registered with the Board of Registration of the Canadian Institute of Public Health Inspectors BC Branch.
- Two year's recent experience as a Public Health Inspector or the equivalent combination of education, training and experience.
- Current valid BC Driver's license.
