

PUBLIC HEALTH INSPECTOR (Internal/External)

[temporary full-time]

Huron Perth Public Health (HPPH) is committed to providing people with a healthy, inclusive and accommodating workplace. HPPH is an equal opportunity employer and provides a dynamic and progressive work environment. We welcome and encourage applications from all persons, including those with disabilities. Upon request, we will provide reasonable accommodations for applicants with disabilities who take part in all aspects of recruitment and selection process in order to ensure that all materials and processes are accessible to persons with disabilities.

We have an opening for a temporary full-time **PUBLIC HEALTH INSPECTOR** starting April 1, 2023, and ending June 30, 2023. This position may be based out of either the Stratford or Clinton office and will require travel to other office/inspection locations.

Summary:

The successful candidate will work with a dynamic and progressive group of professionals on a multidisciplinary team. Public Health Inspectors on the Environmental Health Team are responsible for:

- Minimizing the incidence of health hazards through education, inspections and investigations under the Health Protection and Promotion Act.
- Inspection programs: Food Safety; Health Hazard Investigation; Zoonotic Diseases; Vector-borne Diseases and Safe Water programs.
- Enforcing activities under the Health Protection and Promotion Act.

Qualifications:

- Certificate in Public Health Inspector (Canada) preferred. Uncertified applicants may be considered but must detail applicable experience within their application
- A Bachelor degree in Applied Sciences or equivalent from an institution approved by the Canadian Institute of Public Health Inspectors (CIPHI) Board of Certification.
- Minimum one (1) year experience as a Certified Public Health Inspector preferred; uncertified applicants completion of a CIPHI Board of Certification twelve (12) week practicum is required.
- Proficiency in oral and written communication including computer skills.
- Possesses knowledge and application of the Health Protection and Promotion Act and associated regulations

Skills:

- Demonstrated evidence-informed risk assessment, investigative and problem-solving abilities
- Excellent communication skills (both verbal and written)
- Proficient computers skills, including familiarity with Windows, Microsoft office programs and use of the Internet; knowledge of the Hedgehog Inspection Database and Salesforce is an asset

Conditions:

- Member in good stand with CIPHI
- terms and conditions of employment are in accordance with the relevant CUPE Collective Agreement
- obtain and maintain a satisfactory vulnerable sector check and required immunizations in accordance with Board Policy/Collective Agreements including annual influenza and 3 (three) doses of a COVID-19 immunization unless medically contra indicated
- a valid Ontario Driver's License and access to a safe and well-maintained vehicle suitable for carrying out duties on behalf of the employer

Hours: Usually 8:30 am – 4:30 pm; Monday to Friday (weekend work may be required)

Wage: \$37.90 - \$44.48 per hour
[uncertified public health inspector wage rates will be adjusted as per the Collective Agreement]

Closing Date: **February 27, 2023 at 12:00 pm**

Apply to: Christina Taylor, Director
Please send an email including a resume and cover letter to: recruitment@hpph.ca
[Please include the Posting Number **04-2023** in the subject line of your email]

Only those candidates selected for an interview will be contacted.
