

PROCEDURE

D. R. VUJEVIC AWARD

1. Objective

The **D. R. Vujevic Award** recognizes a member of the Canadian Institute of Public Health Inspectors (Alberta Branch) who, in the opinion of his or her colleagues, has actively demonstrated outstanding service to the Institute and/or the profession of Environmental Public Health (EPH).

Daniel (Dan) Robert Vujevic embodied the intent of this award during his career as an Environmental Public Health Professional in southern Alberta. Dan was a member in good standing with the CIPHI Alberta Branch and demonstrated an innate competency and proficiency in the field of Environmental Public Health. Dan was motivated to pursue opportunities to advance both his own technical expertise and the profession through committee work and attendance at workshops, conferences and CIPHI Alberta Branch events. In 2010, the Alberta Branch lost a committed member and friend. It was the unanimous desire of both the Executive and the membership to name this award in Dan's memory so that the legacy of his professional approach would carry forward as an inspiration to those who are new to the field.

The award is given to a member of CIPHI Alberta Branch who has been in the field of EPH in Alberta, the Northwest Territories or Nunavut for no more than two years from the date stated on the nominee's Certificate in Public Health Inspection (Canada).

2. Eligibility and Criteria

In order to be nominated the following criteria must be satisfied:
