

# 13th Annual Professional Education and Development Seminar (PEDS) Delegate Package

October 4 & 5, 2022

Ramada Plaza by Wyndham Regina Downtown - 1818 Victoria Ave, Regina, SK

*Stronger Together: Coming through the pandemic - mentally, physically and professionally*

## Welcome Message

On behalf of the organizers of the 13<sup>th</sup> Annual Professional Education and Development Seminar (PEDS), I would like to welcome you. It has been a long and often difficult three years since we last met at PEDS and we are very excited to be back in-person. Our offering of keynotes, special speakers, and presenters this year is fantastic. The social night has been planned and will provide a chance to connect and reconnect with CIPHI Members from across Saskatchewan.

I would like to thank you for your attendance and participation in PEDS. We recognize PEDS as a valuable education opportunity for our Members and could not do it without your support. WE also could not have this event without the greatly appreciated support from our sponsors. Welcome back one and all!

2022 has been a great year for our profession. The recognition for our hard work through the pandemic response and the innovative approaches being taken across the province and the country are all reasons to celebrate. The launch of a Nationwide campaign (example below), with additional Saskatchewan support, is making giant strides towards increasing the recognition of our profession for all the right reasons.

Welcome again! We look forward to becoming stronger together.

On behalf of the CIPHI –Saskatchewan Branch Executive,  
Kelsie Dale, CIPHI Saskatchewan Branch President

## Keynote Speakers

**Big Daddy Tazz**  
**Out of My Mind**

---

**October 4, 2022 – 8:10 to 9:30**

---

Often described as “one of the most talented comics in the business”, Big Daddy Tazz has been delighting crowds at fundraisers, corporate events, festivals and on television for more than a decade and a half. Known as the “Bi-Polar Buddha”, Tazz is equal parts comedian and motivational speaker, who likes to enlighten, educate and inspire. As a result, his one-man shows have drawn rave reviews and standing ovations from coast-to-coast.

**Darren Lang**  
**Focus Forward: Thriving in a Post COVID World**

---

**October 5, 2022 – 9:00 – 10:30**

---

Over the past 21 years, Darren and his wife, Darci Lang, have operated their own corporate speaking and training company, XL Enterprises. Darren has walked his talk. After having his life turned “Upside-down” Darren shares much of his story and the tried and true tools he used to pick himself up and get back to feeling great.

Throughout his career, Darren has shared his inspiring ideas with thousands, helping them to think and feel their very best. Darren has a degree in Business Admin as well as an MBA.

He is a professional member of the Canadian Association of Professional Speakers (CAPS) for over 10 years and is also past president of the Saskatchewan chapter of CAPS. In addition, Darren has been a member of the Saskatchewan Association of Human Resources Professionals (SAHRP) for over eight years.

---

**Dr. Saqib Shahab, MBBS  
MRCP MPH FRCPC  
Chief Medical Health  
Officer**

---

**October 4, 2022 – 10:00 to 10:30**

---

Dr Saqib Shahab is Saskatchewan’s Provincial Chief Medical Health Officer. In the past he has worked as a regional Medical Health Officer, as well as internationally as an internist, faculty at a school of public health, and public health expert with multilateral health agencies. He is a past co-chair of the Pan Canadian Public Health Network Council, past chair of the Medical Health Officers Council of Saskatchewan and past president of the Saskatchewan Public Health Association.

Dr Shahab is a Fellow in Public Health and Preventive Medicine of the Royal College of Physicians of Canada, has a Masters of Public Health from Johns Hopkins University, US, and is a Member of the Royal College of Physicians UK.

**Chief Cadmus Delorme  
Cowessess First Nation**

---

**October 4, 2022 – 2:30 to 3:30**

---

Chief Cadmus Delorme, a Cree and Saulteaux, is the Chief of the Cowessess First Nation. Chief Delorme graduated from Cowessess Community Education Centre in 2000. He later moved to Regina to pursue a Bachelor of Business Administration and a Certificate in Hospitality, Tourism and Gaming Entertainment Management from the First Nations University of Canada (FNUniv), and a Master of Public Administration from the Johnson Shoyama Graduate School of Public Policy. Recently, he has completed an Institute of Corporate Directors designation.

In 2012, Chief Delorme received the Queen Elizabeth II Diamond Jubilee Medal and the Platinum Jubilee Medal, recognizing his student leadership and the hospitality he showed to King Charles III and his wife Camilla, Queen Consort, when they visited FNUniv. He was also named one of CBC Saskatchewan’s Future 40, which celebrates the province’s new generation of leaders, builders and change-makers under the age of 40.

In 2019, Chief Delorme was re-elected to a second term in office. Under his leadership, Cowessess First Nation has focused on economic self-sustainability for its nation and people and has moved forward on renewable energy, agriculture, efficiency in land use initiatives that have created both current and future business opportunities. This past year, Chief Delorme faced one of the hardest moments as Chief when the Saulteaux and Cree First Nation made international headlines with the validation of potentially 751 unmarked graves near the former Marieval Indian Residential School. Shortly after, Cowessess made headlines again as the first First Nations to sign an agreement with Ottawa and the province that returns jurisdiction over children in care to the First Nation. Federal legislation overhauling Indigenous child welfare was passed in 2019 and came into force last year.

Chief Delorme lives with his wife Kimberly, brother-in-law, daughter and two son’s on Cowessess First Nation.

## 2022 PEDS/AGM COVID Guidance - Information for Participants

As the COVID-19 Global Pandemic continues, SK CIPHI Branch is both cautiously optimistic and prepared to manage our in-person Professional Education & Development Seminar (PEDS) and CIPHI SK Branch Annual General Meeting (CIPHI SK Branch AGM) events with the health, safety, and well-being of our attendees, staff, presenters, exhibitors, sponsors, and speakers in mind. All participants are expected to abide by our code of conduct and all polices in effect for any event sponsored by the Branch.

The predominant COVID-19 variant currently circulating is Omicron. Omicron infections generally cause less severe illness than infection with prior variants. Persons infected with the Omicron variant can present with symptoms similar to previous variants. The presence and severity of symptoms can be affected by COVID-19 vaccination status, the presence of other health conditions, age, and history of prior infection.

The guidance below is for attendees to ensure these events can proceed as safely as possible. If at the time of the event, the facility hosting the event has additional precautions in place, the conference will adhere to those requirements to the best of our ability.

The 2022 PEDS and 2022 CIPH SK Branch AGM will follow any Provincial mandates in place at the time of the event. In the event that there is conflict between the guidance below and any Provincial mandates, the Provincial mandates shall prevail. The SK CIPHI Branch Executive will do our best to communicate any changes as they occur.

### COVID-19 Self Screening

- Participants are strongly encouraged to self-screen for symptoms below prior to attending, and for each day of PEDS.
- Please do not attend if sick.
- It is recommended that a COVID-19 rapid test be completed prior to attending. Don't attend if positive, even if asymptomatic.
- We *strongly encourage* all attendees who are eligible to receive the COVID-19 Boosters in addition to being fully vaccinated.

- The following symptoms are outlined on the CDC Website indicating an individual may have COVID-19:
  - Fever or chills
  - Cough
  - Shortness of breath or difficulty breathing
  - Fatigue
  - Muscle or body aches
  - Headache
  - New loss of taste or smell
  - Sore Throat
  - Congestion or runny nose
  - Nausea or vomiting
  - Diarrhea
- If you become sick during the event, please notify event organizers to allow for additional communication to participants as needed.

### General Precautions

- Washing hands often with soap and water for at least 20 seconds. If water is not available, using hand sanitizer with at least 60% alcohol.
- Avoiding touching your eyes, nose, or mouth
- Practicing physical distancing
- Wearing a mask when indoors
- Avoiding contact with people who are sick
- Staying home while sick and avoiding close contact with others
- Covering your mouth and nose with your elbow or a tissue when coughing or sneezing, and immediately disposing of the used tissue followed by hand hygiene

### Physical Distancing

- Minimize potential physical contact; a wave is a great alternative to handshakes.
- When seated, consider physically distancing from your neighbours. Allow individuals who wish to physically distance while in sessions to do so comfortably.
- Maintain physical distance when possible in food/beverages lines, and when visiting vendors.

### Masking

- All attendees including vendors are *strongly encouraged* to wear procedural (a.k.a. surgical) masks with at least 3 layers of fabric, KN95, or N95 masks during the event.
- Exceptions for masking are while *actively* eating/drinking, and when actively speaking/presenting from the podium.
- Masks should cover both the mouth and nose.
- We ask that participants honor the requests of others to mask up and/or maintain physical distancing.

If you have any further question, please contact the SK CIPHI Branch Executive at [president@ciphi-sk.ca](mailto:president@ciphi-sk.ca). We thank you all for your cooperation and understanding on this matter as we strive to maintain the safety and health of all participants.
