

Student Public Health Inspector #24-114 (Paid Practicum Opportunity)

Full-Time Limited (End date will be determined by whether the candidate chooses a 12, 13 or 14 week placement) - Recruitment #24-114 (Non-Union)

Division: Health Protection

Location: Main Office - 1300 Paris St., Sudbury

Work Arrangement Location: Fully On-site: The position requires 100% on-site placement; it is operationally dependent based on established criteria. Remote work is not an option.

Wage:

The successful applicant will be able to choose the length of their practicum. The wage will be relative to the length chosen.

12 week practicum - \$20.23 per hour

13 week practicum - \$18.68 per hour

14 week practicum - \$17.34 per hour

This opportunity is funded by the Ministry of Health.

Position summary:

Public Health Sudbury & Districts is currently seeking a public health student who has graduated and requires their practicum (field training) to sit for the Canadian Institute of Public Health Inspectors (CIPHI) Board of Certification Examination.

As a student public health inspector, you will assist certified public health inspectors in their duties including, but not exclusive to performing inspections, providing consultations, and conducting reviews. In addition, you are expected to complete your requirements for the Board of Certification.

Reporting to the Manager, Health Protection Division, student public health inspectors are integral members of a multidisciplinary team. Assets for this position include being self-motivated and having strong interpersonal skills and the ability to conduct yourself in a professional manner at all times.

Requirements:

- A bachelor degree in Environmental Health or equivalent.
- Eligibility to sit for the next scheduled CIPHI Board of Certification Examination.
- Current Ontario driver's licence and access to a reliable vehicle with insurance as required by Public Health Sudbury & Districts to fulfill the requirements of the position.
- Excellent oral and written communication skills.
- Initiative and organizational skills.
- Proficiency in both official languages is an asset.
