

PUBLIC HEALTH INSPECTORS

- 1 Permanent Full-Time - Elliot Lake
- 2 Permanent Full-Time - Sault Ste. Marie
- 1 Temporary Full-Time – Sault Ste. Marie

Salary Range: \$77,859.60 - \$88,810.20

Algoma Public Health (APH) is seeking a certified Public Health Inspector (PHI) to work with our team. As a Public Health Inspector working for APH, you will have a diverse portfolio of work that contributes to the reduction of communicable diseases, health hazards, and health inequities within Algoma communities.

Reporting to the Manager of Environmental Health, the PHI promotes and protects individual and community health by educating and enforcing pertinent provincial Acts and Regulations, municipal by-laws, and agency policies. The legislation includes but is not limited to; the *Health Protection and Promotion Act*, the *Healthy Menu Choices Act*, the *Skin Cancer Prevention Act*, the *Ontario Building Code Act*, the *Provincial Offences Act*, and the *Smoke-Free Ontario Act*.

Ability, Experience, and Skills for this position include (but not limited to):

- Post-secondary bachelor's degree in environmental science, health science, applied science, or equivalent.
- Certificate in or working towards a Certificate in Public Health Inspection (Canada) from the Canadian Institute of Public Health Inspectors. Preferences are shown to a candidate who holds certification as an inspector under Part 8- Sewage Systems, of the Ontario Building Code Act.
- Current certification or ability to obtain certification (within a defined timeframe) under the Ontario Building Code Act - Part 8 – Sewage systems will be considered an asset or required, pending location of position.
- Demonstrated knowledge of community resources relevant to the area of environmental health.
- Previous experience working as a Public Health Inspector at a public health unit is considered an asset.
- Demonstrated proficiency using Microsoft Office programs including Word, Excel, and Outlook.
- Strong interest in professional development and self-learning.
- Strong time management and project management skills.
- Ability to work effectively independently or as part of a team.
- Strong interpersonal, organizational, and problem-solving skills.
- Excellent verbal and written communication skills.
- Must be reliable and have a good attendance record.
- Ability to work outside regular business hours, including weekends and evenings, as required.
- Advanced oral and written proficiency in English is essential, proficiency in both official languages is considered an asset.
- Requires a valid "G" Ontario Driver's License and use of a reliable vehicle.
- As a condition of hire, you are required to be fully vaccinated with a COVID-19 vaccine series, per our COVID-19 Immunization policy, unless medically contraindicated. Should you be a successful candidate, you will be required to comply with our COVID-19 Immunization policy that is in effect.
- A current Police Vulnerable Sector Check (PVSC) with satisfactory clearance is a condition of employment, at own expense.

Algoma Public Health believes in and is committed to promoting diversity in our workforce and ensuring accessible employment practices, in compliance with the Accessibility for Ontarians with Disabilities Act. Accommodations are available upon request for candidates taking part in all aspects of the recruitment and selection process. We will work with you to meet your needs.

Submit resume and cover letter to:
