

CIPHI RETIREES ADVISORY COMMITTEE
2022 Online Survey

The CIPHI Retirees Advisory Committee (RAC) planned for and conducted an online survey utilizing a free version of Survey Monkey in November 2022. This version limited the number of questions asked to ten (10) as well as restricting the opportunity for participants to provide comments.

The survey link was sent out via an email circulation list maintained by the RAC which included a combination of 103 Life and Retired CIPHI members as well as 47 non-member retirees. The initial deadline was December 31, 2022, but was extended to January 9, 2023. Sixty-six percent (66%) of the 150 potential participants responded to the online survey.

A total of 88 anonymous responses were received which included responses from eleven (11) of the RAC members. Of the 88 respondents, ninety-seven (97%) percent answered one hundred (100%) percent of the questions. Respondents spent an average of 3 minutes and 20 seconds answering the survey.

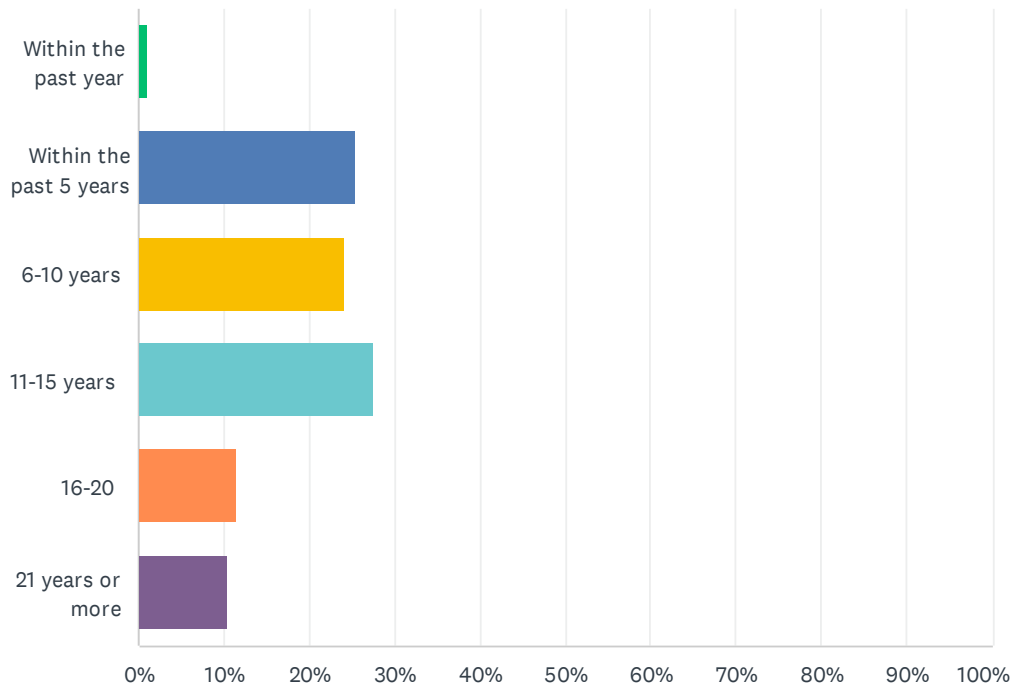

The survey questions and responses collected are found on the following pages.
