- 1 Temporary Full-Time – Sault Ste. Marie (up to 18 months)
- 1 Permanent Full-Time – Sault Ste. Marie

Salary Range: $82,828.20 - $94,476.20

Algoma Public Health (APH) is seeking a certified Public Health Inspector (PHI) to work with our team. As a Public Health Inspector working for APH, you will have a diverse portfolio of work that contributes to the reduction of communicable diseases, health hazards, and health inequities within Algoma communities.

Reporting to the Manager of Environmental Health, the PHI promotes and protects individual and community health by educating and enforcing pertinent provincial Acts and Regulations, municipal by-laws, and agency policies. The legislation includes but is not limited to; the *Health Protection and Promotion Act,* the *Healthy Menu Choices Act,* the *Skin Cancer Prevention Act,* the *Ontario Building Code Act,* the *Provincial Offences Act,* and the *Smoke-Free Ontario Act.*

Ability, Experience, and Skills for this position include (but not limited to):

- Post-secondary bachelor's degree in environmental science, health science, applied science, or equivalent.
- Certificate in Public Health Inspection (Canada) from the Canadian Institute of Public Health Inspectors is required. Preferences are shown to a candidate who holds certification as an inspector under Part 8- Sewage Systems, of the Ontario Building Code Act.
- Demonstrated knowledge of community resources relevant to the area of environmental health.
- Previous experience working as a Public Health Inspector at a public health unit is considered an asset.
- Demonstrated proficiency using Microsoft Office programs including Word, Excel, and Outlook.
- Strong interest in professional development and self-learning.
- Strong time management and project management skills.
- Ability to work effectively independently or as part of a team.
- Strong interpersonal, organizational, and problem-solving skills.
- Excellent verbal and written communication skills.
- Must be reliable and have a good attendance record.
- Ability to work outside regular business hours, including weekends and evenings, as required.
- Advanced oral and written proficiency in English is essential. Proficiency in both official languages, as well as knowledge of additional languages relevant to our diverse communities, will be considered an asset.
- Requires a valid "G" Ontario Driver's License and use of a reliable vehicle, as there is Algoma district-wide travel required for this position.
- As a condition of employment, employees must meet immunization requirements in accordance with the APH Immunization policy.
- A current Police Vulnerable Sector Check (PVSC) with satisfactory clearance is a condition of employment, at own expense.

Algoma Public Health believes in and is committed to promoting diversity in our workforce and ensuring accessible employment practices, in compliance with the Accessibility for Ontarians with Disabilities Act. Accommodations are available upon request for candidates taking part in all aspects of the recruitment and selection process. We will work with you to meet your needs.
